Dear Fellow Cattle Breeders,

The consignors of the Tri-State Shorthorn and Polled Shorthorn Assn., wish to welcome you to the Fall Sale. You will find outstanding bulls ready for heavy service. More young cows with calves at side than any time in the history of this sale. Females of the herd replacement kind and also 4-H and FFA junior heifers and steers.

With the cow numbers decreasing in the U. S. the past two years, those who have pasture, hay or silage, no doubt, can probably get the best days work done on November 27. You know that a cow herd must be figured over a period of ten years and we are now starting into that upward trend. Will be looking forward to seeing you at the auction.

If for any reason you cannot attend, feel free to call any of the consignors or the sale manager for your needs. They will be handled in strict confidence.

Yours truly,

Consignors of the Tri-State
Association
and
Lloyd "Pop" Saxe
